

Effective Organising for Congregational Renewal - Michael Gecan Metro Industrial Areas Foundation

Study Guide prepared by Rob McFarlane, Director of Continuing Education,
Uniting Church – Board of Education (Synod of NSW & the ACT)
for the Sydney Alliance

As well as reading and reflecting on Gecan's book, each of the four sessions in the study guide leads people to reflect on a different Bible passage. These reflections help us to understand more about how Jesus' ministry was profoundly relational, how to see how power really works in the world, and how to help younger & newer members of congregations grow in their faith and leadership. The Study Guide can be purchased in comb-bound form (see below) or downloaded for no charge from: <http://nsw.uca.org.au/boe/sce/>
