What matters now is who we might be  
Bm Dmaj7  
It has to be believed to be seen  
Bm D A  
God's story of love who could ask for more

*Stories of hope [showing there is a way]*

We can all see what love has done  
Jesus stands in solidarity  
Actions louder than words making history  
The values of God won't be undone

*(Chorus)*

Dreams come and go around what might be  
Hope against hope inspiring all things  
We travel along despite our struggles  
God's call comes alive in you and in me
